CHICAGO POLICE SERGEANTS' ASSOCIATION

President's Message

By John Pallohusky

I wish to thank all of the sponsors and volunteers, especially our co-chairmen retired Sgts. Don Januszyk and Mike Stather who helped make this year's golf outing a tremendous success. This event enables our Association to provide death benefits to our active members. All proceeds from this event go into this fund.

On the 6th, 7th and 8th of October 2006, I along with Sgts. George Whiteside, Bob Kirchner, Nancy Higgins, Frank Higgins, Jim Cosgrove and Grace Paoletti attended the PB&PA Annual State Convention. The convention was hosted by Rock Island Unit #3 in Moline, Illinois. Since this was a non-election year for the state board, discussions focused on upcoming and future legislation affecting us as police officers. During Saturday night's festivities, an award was presented to recently promoted Captain Gerard Carroll for his off-duty efforts in apprehending an offender who had just committed a homicide. Congratulations to Captain Carroll!

At the urging of several sergeants and with the support of the Board of Directors of the C.P.S.A., I have decided to seek the Office of President for the Chicago Police Sergeants Association. On 18 Oct 06, I filed my nominating petitions containing several hundred signatures of active sergeants in support of my candidacy.

As President there are several issues that I would like to see addressed. With the contract expiring in 2007 communication and input from our members is paramount in the upcoming negotiations. Other areas for consideration are: district and unit representatives, addressing grievances in a timely and effective manner, disseminating information on developments that affect our members and most importantly, activation of our Web Site.

As President, one of my most important responsibilities is to be accountable to the membership. The Association exists to serve the entire membership not just a select few. To those who are critical and

Special Election Results

This Special Election was for the office of President which was vacated by Sgt. Mike Dejanovich when he was promoted to the rank of Lieutenant. The last day to sign the roster requesting petitions was Thursday, 28 September 2006. Sgt. John Pallohusky was the only one to sign the roster and has turned in petitions with the required number of signatures, 128. In that there were no other qualified candidates who have signed the roster and have turned in the required number of signatures; the election committee declares that Sgt. John Pallohusky is the current president effective at the Executive Board meeting of Thursday, 19 October 2006.

Pension News

By Sgt. Mike Lazzaro, Sergeants Pension Fund Trustee

Federal Pension Bill H.R. 4 was recently signed into law. This huge Bill (hundreds of pages!) mostly affects private pensions but will allow our retirees a three thousand dollar tax credit for health care expenses. This law takes effect in January of 2007 and you will be able to claim this deduction when you file your taxes in the spring of 2008.

Two important organizations that help protect our pension are NCPERS (National Conference on Public Employee Retirement Systems) and IPPFA (Illinois Public Pension Fund Association). NCPERS combats negative National legislation and leads the fight to prevent public sector defined benefit plans from being changed into defined contribution plans. Did you know that California Governor Arnold Schwarzenegger has attempted to terminate the state public pensions through legislation? NCPERS along with several other organizations fought and defeated this onerous legislation. The IPPFA has led the fight to change the "Sudan Legislation" which hurts all public pension plan investments. The IPPFA is also lobbying to pass the first Deferred Retirement Option Plan (DROP) legislation in Illinois. Both of these organizations have excellent websites and they are:

www.NCPERS.org and www.IPPFA.org.

Illinois Pension Legislation Pending

H.B. 4888

Amends the pension code to base retirement benefits on the highest 3 years, instead of the present 4 years of salary within the last ten years of service. This would be effective for persons retiring after 31 Dec 06.

H.B. 4934

Change maximum annuity from 75% to 80% of average salary.

H.B. 4934

Allows an active member with at least 5 years of creditable service to establish up to 10 years of additional service credit for certain employment as a law enforcement officer with a downstate municipal police department, the State of Illinois, or the C.H.A. It requires the applicant to pay employee and employer contributions, plus interest and permits the use of rollover contributions. It amends the State Mandate Act to require implementation without reimbursement. This would be effective immediately.

The Pension fund's "70 retro" office is no more! The Office rehab was completed mid-summer. The work was done in 3 phrases. Three thousand square feet was added to increase the size of the boardroom, also added was much needed office and cubicle space. The waiting room was too small and is now triple the size (total space is now over 9000 square feet). The Pension Board has been at the 221 N. LaSalle St. location since 1970, and this is the first major renovation. 🏡

Attention Active Duty Sergeants!

By Sgt. Don Januszzyk, Retired

Please, please make sure that we have a record of your beneficiary on file. In the event something happens to you there are benefits that both our Association and the PB&PA make available to your family. We would like to get these benefits to your family as soon as possible, and if you didn't fill out a card this delays the process. If you know you have not filled out a beneficiary card, contact our office and we will send one out to you. 🏡

Senate Pension Hearing

By Sgt. Don Januszyk, Retired

I had the opportunity to attend one day of the Senate Pension Hearings held on Sept. 14, at the State of Illinois Building. Chairing the hearing was Sen. Iris Martinez, with members Sen. Roul and Sen. Claybourn being present. There are 10 Senators named to this committee. This was the 4th year of meetings for them and their object or goal is to increase the participation of minorities and women in managing the investments of the Illinois Public Pension Funds.

Keeping an open mind regarding these issues is important. It is obvious that there are positive contributions made by minority & female companies and individuals. Therefore, it is reasonable to expect that the Illinois Pension Funds should recognize these advancements and contributions, and make these positions available to qualified groups, and companies. However, the Funds also by law and the expectations of their Board members have the responsibility to choose firms that will insure the best returns on investments, and Sen. Claybourn mentioned this fact several times.

The hearings are very entertaining and informative. The Senators put on a great show. A loud opening speech, followed by suggestions that there are or should be meetings before meetings by the Funds; talk of hammers, nails and hiccups; duplicate questions, a recommendation that consultants be limited to their terms by state law, and statements that the legislature has the power to make future legislation difficult for the pension funds.

The pension fund managers had to fill out a questioner and submit it to the committee prior to the hearings. It seems to me that the pension managers were trying to anticipate what the board wanted to hear. Did the Board want to hear half the story, a presentation that would please them, or should the managers give them the real facts. The last one was not one they wanted to hear.

It is apparent that most minority and female firms do not yet have the expertise that big established firms have. The Senate Board expects about one third of the funds to be managed by minorities and females; and to handle investments between 75 and 150 million.

In our Police Pension Fund one minority firm is exceeding expectations while the other 4 or 5 are not. It will take time for these firms to gain the experience and earn the respect of other investors, and be recognized as competitors by other fund managers. This is especially relevant in the international funds. Other Pension Funds have opened the door to minorities and women, but it appears it is being done cautiously. It is also to be noted that there are minorities and females who are trustees on these Pension Boards, who are part of the decision making process.

It seems that this Senate Pension committee is on a fast track. I think that if the Senate Board was more professional in their communication with these long established pension funds, there might be a more positive trend by the Funds in assisting the Senate Committee with their goals. This room was filled with well educated, experienced, and respected pension managers and consultants. No one questions

**Pension Director John Gallagher
addressing the September meeting**

the intent of the Committee, but I certainly do question their methods. The Senators sitting on that committee were elected to represent all their constituents including those on pension.

Sen. Claybourn a committee member was a pleasure to observe. However, I would not want to be the one who is being questioned by him, especially if you were not totally prepared. The Senator is not from the Chicago area, but maybe he should be. Our Police Fund did well in front of the committee, but for others it was a long day. To avoid problems with Senate committees and your pension fund it is important to vote. Vote in governmental elections, vote for competent pension trustees, and lastly be involved. It's your money, it's your pension, and it's your life. 🏠

Wellness Plan Update

By Sgt. Don Januszyk, Retired

No, they did not fix it yet. When you use your Wellness Benefit, Blue Cross-Blue Shield is required to send you an EOB (Explanation of Benefit) form. I had contacted Judy Landbox from the Benefit Management office in August relative to this issue and she said that there was a problem in that BC-BS has not changed their EOB format to provide this service. Well I called Judy again this October the necessary changes still have not been made. She advised going onto the BC-BS website and the information would be available there. I suggest that you call Blue Cross Blue Shield at 1-800-772-6895 to get the information on the balance in your account. Remember you can deduct a certain amount for glasses, the entire amount for routine blood work, routine physical exams, inoculations and more. When you use this benefit you must tell the nurse, clerk or whoever that you have the benefit and they should put in the letter "V" before the billing code. The doctor will not know what you are talking about. If you get a flu shot, and you want the Wellness Benefit to apply, it must be done in a licensed medical facility. Getting the shot at Walgreen, Dominick, etc., does not qualify for the benefit. This Wellness benefit is only for the calendar year. Use it or lose it. Good Luck. 🏠

Sudan Bill Update

By Sgt. Don Januszyk, Retired

The National Foreign Trade Council, which is made up of companies, some of who do business in the Sudan countries, and our Pension money manager invest in, has filed a suit in federal court. This was done in the end of July. They are hoping to get an injunction to temporarily stop the law from taking effect. The law is set to go into effect in January of 2007. The Pension Funds would then have until July to withdraw their investments from companies doing business in the Sudan. The initial loss will be in the millions. If you want to help contact Sen. Jacqueline Collins 773-224-2830, Sen. Munoz (PO on LOA) & Rep. Acevedo (active PO) both at 773-869-9050. 🏠

2006 Annual Golf Outing & Death Benefit Raffle

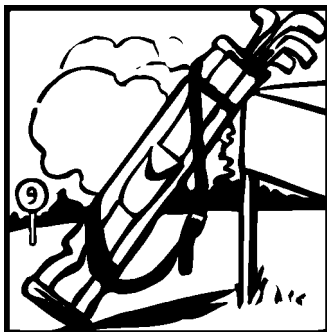

The Golf Committee, Mike Stather, Don Januszyk & George Whiteside

First of all we would like to thank all of those who joined in to make this Golf Outing and Death Benefit Raffle one of the best we've recorded. The net profit going into the Death Benefit Fund is \$10,679.35. This is more than double what we made last year. We were able to accomplish this through hard work, new bids for products, and placing expenses where they should be. Please remember, this fund is for the families of active duty Sergeants who pass away.

There was also an increase in the participation by the guys who we can always depend on, the retirees. The active Sergeants also increased their participation from 115 in '05 to 177 this year. There are approximately 1,250 active duty Sergeants.

The men's longest drive was won by **Steve Chamberlain** at 301 yards, 1 inch. The men's closest to pin winner was **Ken Januszyk** at 9 inches. Here's where I goofed. There was a mis-communication between the rangers and myself, and there was no lady closest to the pin result. Since Sgts are used to making decisions, there was only one winner noted which was the ladies longest drive won by **Maria Whiteside** at 226 yards, 17 inches. Ladies, "I apologize," and will do better next year.

I would like to thank the Board Members who helped out, also Retirees **Don Fournier, Ed McCarthy, Tedd Raab, Don Barry**, Active Sgt. **Mary O'Toole**; civilians **JoAnne Anaya**, and **Mary O'Toole #2**. Also, thanks to the nieces of Sgt. O'Toole, **Christine Styx** and **Michelle Juras** who did a great job on the raffle tickets. We would also like to thank **Amy Coghill** and the rest of the staff at Silver Lakes who do a great job in making sure we all have a good time. Until next year, be safe. ⚡

Need To Find

By Sgt. Don Januszyk, Retired

Someone out there should know about this or where to find it. Some time ago there was a poem, dissertation, joke or what ever it might have been called, but it was about Sgt's. At the end of the story the high command went to God, and God called upon a Sergeant. If anyone has that story or joke, or whatever, please send a copy to our office. Thanks. ⚡

The Retirees' Corner

By Retired Sgts. Mike Stather (Northside Rep.) and Don Januszzyk (Southside Rep.)

Northside Retiree Report

Another Sergeants Golf Outing goes into the books as a great success. By no small means attributed to the effort put forth by many of our retirees. Our loyal, and most senior crew of Don Fournier (who was doing the golf outing before I was born), Ed McGuire, Ted Rabb, Don Barry, and all the other retirees who gave us a hand. Don Januszzyk is our computer guru, who is irreplaceable.

It's a bit disappointing that we don't get a better turnout from active sergeants, seeing that the proceeds only benefit active sergeants. How about it guys?

Thanks to everyone who helped out with the election process. The task of doing a mail out to the active Sgts. involves approximately 1300 copies. Folding, addressing, bundling etc. Call us, give us your name, and we'll let you know when the next one is. Thanks.

Please give some consideration to our men and women serving in the armed forces through out the world. For those of you who served, THANK YOU, and I don't need to tell you how good it was to get a letter or a small package at mail call. If you know someone drop them a line. (Especially enjoyed was the B-day cake, lovingly baked by a Mother, which arrived, scrambled, and was instantly devoured by all).

We want to wish all of you, and your families a safe and happy holiday season, and a happy healthy new year . . . Be careful out there!!!!!!!!!!!!!!

Southside Retiree Report

There is a flag flying in front of the office. Sgt. Jim Ade (south side) was responsible for getting it done. Also work is progressing in making the outside in front of the office look much more presentable. Hopefully the work should be done by the end of October. Check out the articles on the Pensions, be active. Bob Graeber from 008 puts out one heck of a web news letter. He can be contacted at 773-919-2752 or BobG008Reunion@aol.com. South side breakfast is still 2nd Wed of the month at Jedi's Restaurant, Cicero & Southwest Highway, 1000 hours. Ret. Sgt. Tedd Raab is doing a great job there. Also thanks to FOP for providing raffle prizes. If you are moving please notify our office so we can keep you up to date on what's going on. Don't forget to vote Tuesday Nov. 7th. If you don't care no one else will. 🏠

Our North Side Retiree Liaison Ret. Sgt. Mike Stather is recovering from surgery. Mike broke his right leg in two places. Mike is on the committees for the golf outing, elections, retiree's Corned Beef Dinner, and helps out in the office. We expect to see Mike back in time for the new running season. Get well soon, Mike! 🏠
