Dear Brother and Sister Sergeants, both Active and Retired,

The Chicago Police Sergeants' Association will be constructing a memorial to honor the men and women who gave their lives in the performance of their duties as a Chicago Police Sergeant. This memorial will be located at the southwest corner of our building located at 1616 W. Pershing Road. Each sergeant will be memorialized on a brick paver similar to the below 8" X 8" example. These memorial bricks will be surrounded by additional 4" X 8" bricks that can be personalized by the donor similarly to the below example.

Now is your opportunity to honor a friend, a career, a family, or anything that you choose to memorialize in this tribute to our fallen sergeants. Or you can simply personalize the brick in your name. Don't miss this chance to be a part of Chicago Police Sergeants' Association history by having your personalized, engraved brick set in this memorial for all to see.

Each 4" X 8" brick allows up to three (3) lines of text that will be centered, engraved, and filled to protect your inscription. Each brick comes with a lifetime warranty. The Chicago Police Sergeants' Association reserves the right to alter names and messages to comply with brick design and appropriateness.

The space for the memorial is limited, so only 340 bricks will be available. Each brick ordered will require a \$100. donation. All donations collected for the memorial program will be used to construct the actual memorial and to fund maintenance for years to come.

Please order your piece of Association history today. As soon as we receive the orders for 340 bricks, the construction of the memorial can begin. You can use the attached order form, or order on-line by going to www.chicagosergeants.org and follow the link to the on-line form. Please make all checks payable to Chicago Police Sergeants' Association or CPSA and mail to:
